A Look Ahead

It is hard to believe that we have only 2 months of school left. In April, we will continue learning about the alphabet. Starting April 2nd we will start our ABC count down. Each day we will focus on 1 letter of the alphabet. Each day we will practice writing the letter, making a hat for the letter, practicing the sound, having a snack to go along with the letter, and many other things. Each day we will ask the students to bring something from home or dress in a way to help remember the letter (these instructions will be on the monthly calendar).
