

Setting Up A Visit

You are always welcome to visit our school!

We ask you to follow these guidelines when visiting:

- Please call ahead to let us know you are coming. You may visit any/all of the classes you choose.
- Visits are subject to the preschool director's daily schedule.
- Please understand that we may only have a little time to visit with you. We ask that you limit your time in the classroom to about 15 minutes.
- Children are welcome...we ask that you introduce them to the class and ask them to sit with you during the class.

How To Apply

Applications are accepted on a first-come-first-serve basis. Children already enrolled in school have first choice.

Please select your class preference at the top. Fill in as much information as possible, so we may get-to-know your little one and be able to make him or her feel right at home in the fall.

Please enclose your application and a check for the \$40.00 non-refundable application fee and mail to:

**Eastminster Preschool
311 Haines Road
York, PA 17402**

An email confirmation will be mailed out at the end of each month for all applications received during that time.

Why Preschool?

Preschool gives your child the opportunity to learn, develop and grow in a safe, nurturing environment with other children his or her age. Children develop social skills as they share, play and work together with friends, interact with adults and gain a sense of community.

Preschool activities help stimulate physical skills as children develop motor skills and muscle growth. Preschool also promotes language development – talking to peers and teachers, telling stories, and learning to express ideas.

Preschool sets the foundation for a lifelong love of learning. Basic counting, letter recognition, rhythm, and science are all skills the children will use for years to come. Best of all, memories of happy times, stories, songs and new friends will last a lifetime.

Why Eastminster Preschool?

Here at Eastminster, our teachers and aides are dedicated to reaching out to each student and helping them grow, learn and thrive in a safe and nurturing environment. Our staff helps the students feel the excitement of learning and doing all around them!

Afternoon Classes

In addition to our regularly scheduled classes we offer an extended afternoon program that incorporates more creative learning time for our students. These classes incorporate a variety of subjects and hands-on experiences. Afternoon classes are dismissed at 2:00pm and are offered five days a week.

Students must be potty-trained to attend afternoon classes.

Each student will need to pack a lunch for the days they attend.

Sign-up for these classes will be in September and will be filled on a first-come, first-serve basis. Tuition is due at the time of sign-up.
