Teacher: Mrs Roberts + Mrs Neff

Date: April 2024

## Look What We're Studying...

- This month we will be celebrating Spring!
- We will learn about all aspects of Spring from the crazy weather and amazing bugs to Earth Day and the budding flowers. We will continue to incorporate letters, numbers, shapes and colors into our daily learning.
- April and May are very busy months at Eastminster Preschool. Please keep an eye on the BAND app for lots of information and updates

## Special Notes

- Throughout the month of April we will be evaluating students for their end of year progress report. This gives us a great source of information on what skills may need more practice for preschool next year.
- Evaluations will be done through observation and play throughout the month. End of year progress reports will be sent home in May.

## Reminders

- \*Please dress your child for outside play. Socks and sneakers are advisable.
- \*Please continue to follow our illness policy. If you are indoubt about whether or not to send your child to school please reach out to Mrs Roberts.
